Project End Date:	

Identify project tasks and dates from start to finish. In your timeline, please include any necessary steps for local engagement—such as community events, public hearings or town meetings—or local bid processes that may be required in your project or may influence the project's progress. (Keep in mind projects are expected to start on or before March 1, 2026, and be completed by October 31, 2027. Adoption of new or updated regulations can occur outside the project period.) Use as many rows as needed.
